

Mobile Pump Cart

Bulk and Spot Depositing System

Key Features:

- Convert to spot depositor with option filling wand attachment
- 20 gallon sanitary stainless steel hopper
- Multiple filling wands available
- Sanitary stainless steel PD gear pump
- Adjust volume on the fly
- Quick and easy cleanup

The Accutek Mobile Pump Cart is a heavy duty mobile depositing station perfect for any bakery production line or industrial kitchen. With its 20 gallon hopper and heavy duty positive displacement pump it can function as a bulk transporting work horse or add a filling wand to create mobile spot depositor. It is easy to clean making change over to a variety of products quick and simple. While well suited for food related industries the positive displacement pump can accommodate nearly any type of viscous product and can be upgraded to deliver large particulates as well.
