HH Induction

Hand Held Table Top Induction Sealers

The AccuSealer hand held induction sealer is the most convenient handheld induction sealer now available in the U.S. Absolutely compatible for use with 3M, Tri-Seal, Top Seal, or even Enercon induction seal foil liners and inserts. The new digital control interface makes setting up optimal seal timing and heat generation for any seal as easy as pressing a button. Available in 4 different models; IS-38D (10-38mm Deep Well), IS-60 (10-60mm), IS-80 (30-80mm), and IS-130. (60-130mm).
